### NEBRASKA INVITATIONAL SPONSORS AND PATRONS

We hope you will consider sponsoring yourself, teacher, studio, or becoming a Patron. Our goal is to showcase Nebraska as a growing, thriving, destination for ballroom dancing. Towards this end, we need sponsors and patrons to help.

Some of the things we do are as follows:

1. Employing professionals from the top echelon in the United States to adjudicate, and perform live for our competitors, as well as the public who attend, publicizing some of the very best ballroom has to offer.
2. Providing great top teacher prize money.
3. Student scholarship prize money.
4. Over the years, we have proudly donated thousands of dollars to the Dancing Classroom children, in the form of free admission. This enables them to perform and give 30-40 tickets to friends and family - all for free. It is our way to pay forward to a new generation of young dancers, and their supporters, many may not have the means, to enjoy a competition, and see brilliant professional exhibitions. Something we may take for granted.
5. Keeping overall costs low for competitors, while employing wonderful adjudicators, DJs, etc.

A sponsor may spend as little as \$10 for a line on the sponsorship page.

Examples: Jane Doe wishes Frank Sullivan a great weekend. All of Frank Sullivan's students wish to thank him for all his hard work. All of the students of Millennium Ballroom studio sponsor----
